

9 June 2023

Dear Parent/Guardian,

I am pleased to share with you the proposed routes and costs of our home-to-school transport for the forthcoming academic year. At present, we are still to finalise the exact pick-up and drop-off points and timings, as these may vary depending on demand and will do so once we have final numbers. However, the attached document should help you with your planning for next year.

Whilst it will still be possible for you to drive your child(ren) to school using Farnham Lane as you have done this year, we are very conscious of our local community and are trying to reduce the amount of local traffic. We are also hoping that the extended offering will increase flexibility for parents. **We will continue to run a bus to Haslemere Station at 5.30pm to enable those involved in co-curricular activities to get the train home.**

Each route has the option for you to suggest a pick-up point other than those listed. Whilst it might not be possible for us to accommodate all requests - as we have to ensure that the buses arrive at school in good time for the start of the day - we will do all that we can to make life as easy as possible for you. I would ask that if you chose 'other' you do so along with one of the suggested pick-up locations.

Our aim is to run one additional route and to extend some others so as to make this transport option more accessible. We will continue to use the Kura App to manage all bookings also to give you the maximum flexibility.

I would be very grateful if you could complete [this short form](#) that will allow us to confirm routes and timing as soon as possible, but in any instance by Fri 16<sup>th</sup> June.

Yours sincerely,

Michelle Stokes  
(Bursar)
