## Proposed Transport Routes 2023-24

Dear Parents

We have been working hard to try and ensure all our parents are supported in getting their children into school. We have looked at postcodes and carried out surveys and hope that the enclosed details cover the requirements of all - be it train and minibus, car and minibus or home to school.

We will continue to tweak as pupils join but the fundamentals of this booklet will not be changed.

### WALKING BUS OVER HINDHEAD COMMON - SUMMER 2024

In the summer months, we are keen to support any child who wishes to either walk or cycle across Hindhead Common to the school, as it is a short and beautiful path that will be guided by staff and older pupils from the Senior School. More details on this option will follow once the Prep School has relocated to the Haslemere site.

# Track your child

We continue to improve our transport service and are due to take receipt of four new minibuses in September 2023. All of our drivers are first aid qualified.

We have trialled a transportation app, 'KURA', this term and this will be continued in 2023/24.

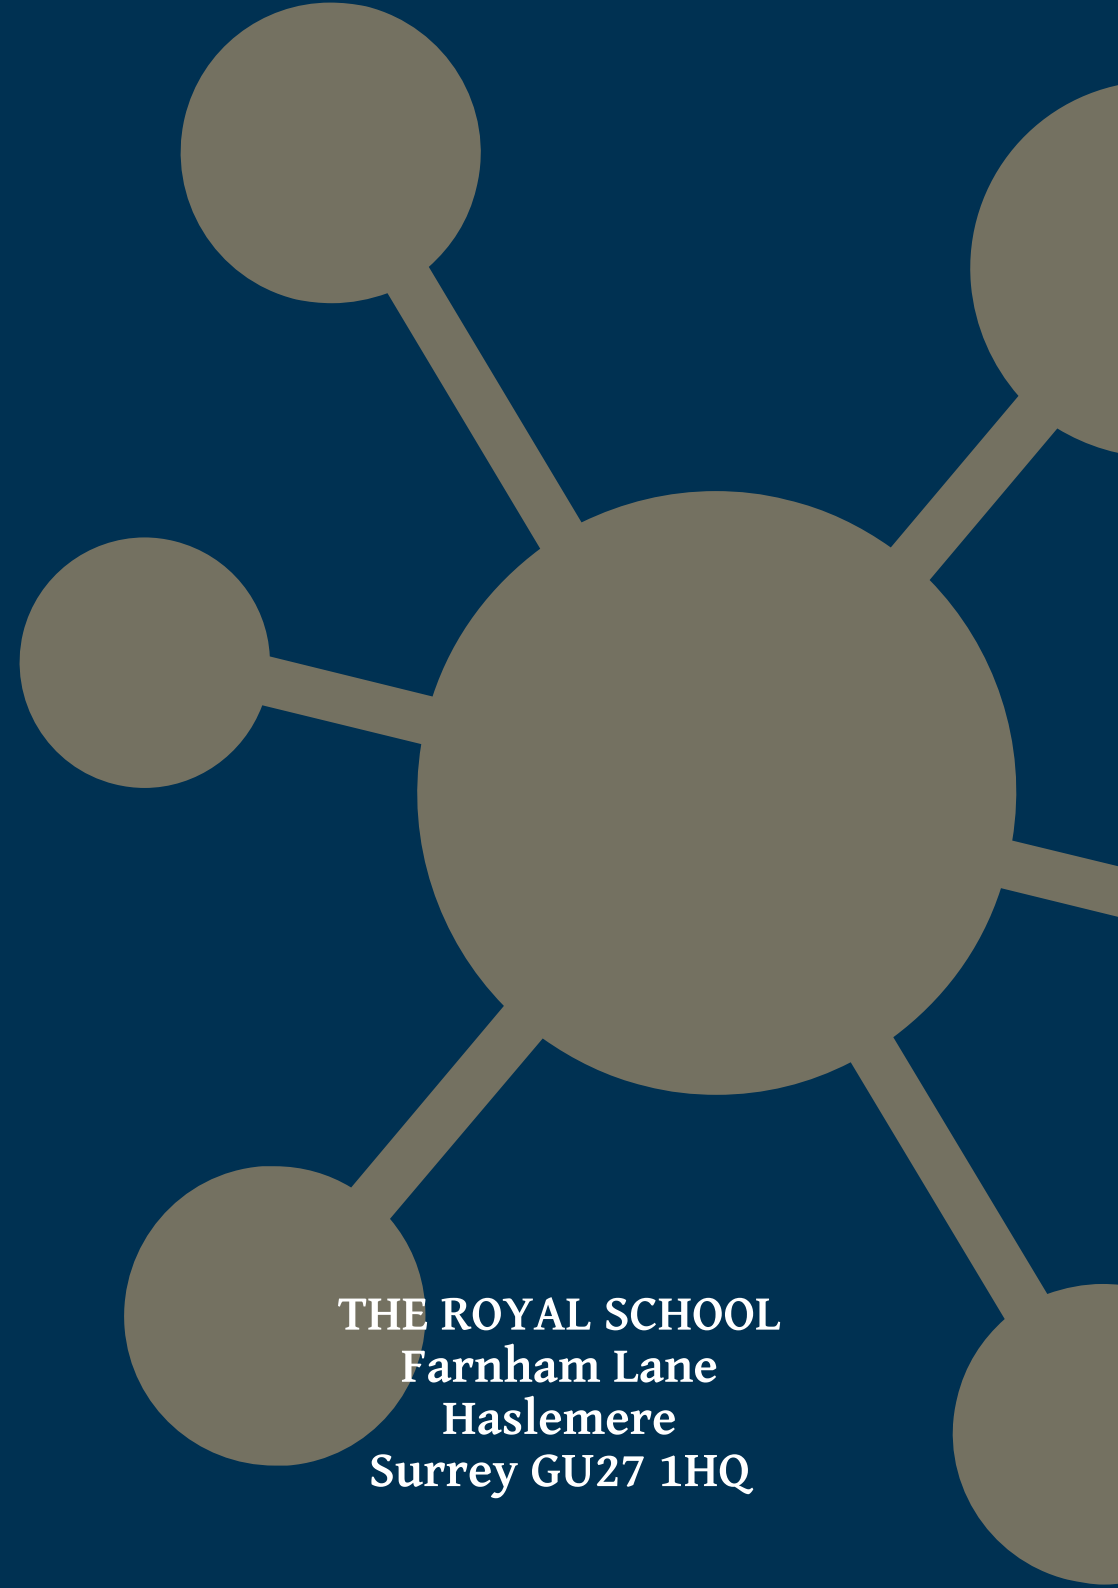

**BOOK** your child onto one of the minibuses

**TRACK** when your child embarks and disembarks the bus.

*This app helps reassure you of when your child is on time or delayed on their journey to and from school.*

If you have any queries regarding transport, please email [transport@royal.surrey.sch.uk](mailto:transport@royal.surrey.sch.uk)
