# Track your child

We continue to improve our transport service and now have four new minibuses and expect more in the new year. The safety of our pupils is paramount, and soon we will be introducing a new transportation app, 'KURA'. This new technology will enable you:

**BOOK** your child onto one of the minibuses  
**TRACK** when your child embarks and disembarks the bus.

*This new app will help reassure you of when your child is on time or delayed on their journey to and from school.*

## NEXT STEPS

A Prep & Senior School short survey will be issued to all Royal School families in January 2023. The purpose? To aid our planning, gather information on likely travel preferences for the next academic year (2023/24).
