

25 November 2022

Dear Parents/Guardians

On Monday 12 December, our Year 8, 9 and 10 students will be working with an expert from the organisation 'It Happens' <https://ithappens.education/> to discuss various topics on the RSE curriculum. Please see below the information being discussed in their sessions - <https://ithappens.education/>

At 7pm on Monday 12 December, we are again working with 'It Happens' to provide a parent discussion where you will be informed of our RSE curriculum and some of the challenges we face as practitioners and those you may face, as parents. This session will act as an introductory talk which will be followed up in 2023.

Laura (BA, MA, PGCE, QTS) brings 15 years' experience of working with young people in schools pastorally, academically and digitally to the It Happens Education team. She is proud to work with Google as a Coach on their global Innovator Academy, which brings teachers from around the world together to solve problems in education in year-long mentoring programmes.

Laura advises It Happens Education on effective, safe and thoughtful uses of technology to support face to face and online workshops and lectures. She is really looking forward to continuing to work with teachers, students and parents to ensure that RSHE learning, and delivery is outstanding as Statutory takes effect.
